### **FROM THE PASTOR**

When I was a kid, I didn't like the fact that there were seeds and pits in the middle of fruit. I would eat a peach and my teeth would hit that hard, rough pit; I would eat an apple and all of a sudden I was chomping on some of those little black seeds. I thought to myself, "Why did God have to put those in there?" One day I finally asked my mom; she explained to me that those pits and seeds could be planted in the ground and another peach tree or apple tree would begin to grow, giving us more fruit to enjoy in our lives.

Seeds are important. Seeds are the beginning of plants and vines and trees growing to maturity and bearing vegetables and fruit. Yet, the most important seed that God has given us is God's Word. It is to be planted in our hearts and souls, that it would bring forth a harvest into our lives.

In the parable of the sower (Matthew 13:1-9, 18-23), Jesus teaches us about the importance of the “seed” of God’s Word. He also teaches us the kinds of things that prevent that seed from growing to maturity in our lives. In the parable, a farmer sowed seed and it landed on four different places: the path, the rocky ground, the ground already covered with thorns and thistles, and finally some of the seed landed on good soil.

The seed on the path was “snatched away” by the evil one because the person didn’t **understand the Word**. The seed on the rocky ground **had no root**; it withered when difficulties and persecution came. The seed sown among the thorns was **choked out by the cares of the world and the deceitfulness of wealth**, that it will provide everything you desire.

Finally, some of the seed fell on the good soil. The seed was planted in that person’s heart and soul, because they **heard the Word, believed it, continued studying it, and stood firm against the ways of the world**. That seed grew and matured and brought forth a harvest of righteousness.

The person in whose soul the word is planted deeply also share the love of Jesus with others, in both Word and deed. Even as the apostle Paul writes in his letter to the Colossians: **“Let the word of Christ dwell in you richly as you teach and admonish one another with all wisdom, and as you sing psalms, hymns and spiritual songs with gratitude in your hearts to God. And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him.”**

Blessings in Christ,  
Pastor Bender
