FROM THE PRINCIPAL

- Enrollment in the Choice Program (Milwaukee and Wisconsin) begins February 1st for the 2018-19 School Year. If you have any questions about the Choice program, please contact me.
- Please turn in your Contract for Enrollment (all students) and your Registration (Re-enrollment) Fee (for non-choice families) as soon as you are able. The half-price registration fee ends on April 18th.
- A meeting on Sunday, February 4th is a Call Meeting for the ECC Director. This person who is Called will have an opportunity to visit St. Paul's and prayerfully consider if this is the location where God can use her at this time. If she accepts, then she would begin sometime this spring. The Director will be developing the program, staffing the Center, and publicizing what our ECC will offer next year. Please pray for guidance and direction as St. Paul's looks to fill this position on the 4th. If you have any questions, please let me know.
- National Lutheran Schools Week is this upcoming week. See the attached schedule for all of the fun and exciting activities we have planned for the week.

PANTHER PALOOZA

Panther Palooza is an event during the school day that will be held on Friday, February 16th. The students will play games and have activities to do together. This is also a fund raiser for our school, where we send out letters asking for donations. There will be a note coming home and being emailed to you explaining how we need your help. Please watch for that note and help us raise money for St. Paul's Lutheran School. We pray God's blessings on this special event!

PRACTICE SCHEDULES

- **Handbells – Friday 7:15am**
- **Boys BB – Monday and Thursday 3:15-4:45pm**

FROM THE PASTOR

A-choo! The flu season is upon us! Those of us who have suffered through this year's version (or have cared for a family member who caught it) know just how miserable this virus can be. A worldwide breakout of influenza is called a pandemic. In the past century, there have been three, and they have been deadly. For example, the 1918 Spanish flu killed 50-100 million worldwide. Due to vaccines, those numbers have gone down. While we take measures to protect ourselves from catching the flu, I'm somewhat fatalistic about it. Sooner or later I seem to get sick with it for a few days. Sin is like that. Sin is deadly. Sin spreads from parent to child. It is pandemic... it infects everyone. It makes us miserable. There is a vaccine for sin... the blood of our Lord Jesus. In fact, that blood is the cure. In 1 John 1:7 we read: "But if we walk in the light, as He is in the light, we have fellowship with one another, and the blood of Jesus, His Son, cleanses us from all sin." In Jesus, we are forgiven and through the Holy Spirit, we are enabled to live healthy and vital lives for our Lord. Blessings! Pastor Stanton
