

## Dress Code 2024-2025

St. Paul's Lutheran School is a place for instruction and learning. We dress for the occasion, in this case, school. The dress code is designed to help our students make a statement to others about the Christian character of our school and reduce the distractions that get in the way of learning.

All clothing must be neat, clean and in good repair, and must not detract from the **Christian atmosphere of the school.**

It is your responsibility as **parents/guardians** to assist your children at home before coming to school so they will be dressed appropriately. **Parents and guardians** play a key role in **enforcing the Dress Code at home.** We appreciate the support.

Any new styles, fads, apparel, or accessories that may be considered offensive or immodest for school dress will be considered inappropriate. Concerns that arise during the school year will be addressed by the staff.

Classroom teachers and the principal will work for fairness and consistency and will have the final authority in all dress code concerns or infractions. **Before wearing any clothing that may be questionable,** please consult with your classroom teacher.

**Failure to adhere to these guidelines will result in the following actions.**

### **First Violation:**

- Students will be asked to correct inappropriate appearances.
- If the inappropriate dress cannot be easily corrected, students will be sent to the Office and the parent/guardian will be asked to bring a change of clothing to school. In the case of inappropriate hair/extension coloring, students may finish the day but cannot return to school until hair is returned to an acceptable color.
- If none of the above steps are possible, the student will be provided alternative clothing for the day.

### **Second Violation:**

- Parent/Guardian will be notified, and the student will be placed in in-school suspension for the day resulting in an unexcused absence.

### **Third Violation:**

- Parent/Guardian will be notified, and the student will be sent home from school with a one day out-of-school suspension that results in another unexcused absence.

### **Fourth and Subsequent Violations:**

- Parent/Guardian will be notified and the student will be sent home from school with another unexcused one day suspension. Parent/Guardian will meet with the Principal before the student is allowed to return.
