FROM THE PASTOR

In the beginning . . . God created man in his own image, in the image of God he created him; male and female he created them. And God blessed them. And God said to them, "Be fruitful and multiply and fill the earth . . . Genesis 1:1a, 27-28

Life . . . it all goes back to the beginning! Life . . . it all comes from the hand of the almighty God, who is the source of all things good and right. From the beginning of time, God had a design for life; it's called marriage and family. Husband and wife are to love and cherish each other, have children, lovingly discipline them and raise them in the Christian faith. Of course, sin came into the world and marred God's good gifts and design.

With the way things are going in our world and culture, it is imperative that parents seek to intentionally teach their children to walk with the Lord. This means that we lead children to admit when they mess up, that we discipline them in good and right ways, and love and forgive them. The life of parenting is to train and equip children to make good choices, so that once they are raised they are capable of making good choices by walking with Jesus all their days.

To assist in this grand and glorious task called "parenting," we are going to offer a two session class entitled: "Parenting with Love and Logic . . . and the Lord." This will take place on two successive Saturday morning from 10:00-11:30am, February 3 and 10. Childcare will be provided for your children. The class will be based on two books: "Parenting with Love and Logic" third edition, written by Foster Cline and Jim Fay; the second book is God's Holy Bible. If you wish to attend the class, simply call the church office at 414-541-6250 and register with Mary; if you need childcare, please let her know how many children you will be bringing with you.

We are living in challenging times. Resources to help us in raising our children are essential to fulfill this great responsibility. If we raise our children well, they will seek to follow the right path, walk in the Lord's ways, and meet the challenges they will face in life.

In Christ's Love,
Pastor Bender
