## FROM THE PRINCIPAL

### God's Good Timing

This has been a really weird week for me, my timing has been off all week. I could have sworn every day this week was Friday. Well, finally I am right!

On a much larger scale there are many times I question God's timing on things. Why does He wait until the money is almost gone? Why does He let some people with incurable illnesses linger on? How come some people aren't healed this side of the grave?

I don't know. I only know His timing is right. I can only say He will do what is best for His children...

**God does what is best, when it is best.**

*Luke 18:7 God will always give what is right to His people who cry to Him night and day, and He will not be slow to answer them.*

- **National Lutheran Schools Week** is right around the corner (January 27-31). Keep watching for fun things we will be doing to celebrate.
- Today marks the end of the 2nd quarter, and the 1st semester. Report cards will be mailed home late next week.
- Please make sure to stay current with your tuition and Extended Care payments.
- **Do you know about using the Scrip program?** It is a great way to raise funds for our school and all you have to do is purchase gift cards to where you normally shop! Call the Office for details.

**NO SCHOOL ON MONDAY, JANUARY 20, 2020**

---

In Christ, the community of St. Paul's Lutheran School partners with families to equip children academically and prepare children and families spiritually to witness and serve.

## **CHOICE MEETINGS**

As most of you know, St. Paul's participates in the Wisconsin Parent Choice Program and the Milwaukee Parent Choice Program. One of the stipulations of the Choice Program is to hold two meetings per school year to meet with all families to answer any questions about the Choice Program, get any information about the Choice Program, and learn about the Choice Program. Our first meeting this school year was held on November 21<sup>st</sup>. The second meeting is set for February 20<sup>th</sup>. School Board members will be available to answer any of your questions. This meeting is for all of our families, not only families who are in the Choice Program this year or may be in the Choice Program in future years. Please come to our meetings if you would like to learn more about the two Choice Programs in which St. Paul's participates.

# FROM THE PASTOR

Darkness! It abounds in our world, and I'm not talk about the physical darkness after the sun sets each evening. Darkness, the darkness of sin, it is truly all around us every day. There is the darkness of the turmoil in our world: shootings on the north side of our city, an elderly man beaten on a bus, the whole drug addiction problem which is growing worse, and the list could go on.

There is also darkness in our own lives: words that we speak that hurt other people; things we do which adversely affect others; thoughts that come out of nowhere and we know they aren't right; children who don't obey and parents who struggle to understand their children. Darkness, the darkness of sin, it truly is everywhere!

What is the answer to the darkness?? Light! The Light of Jesus Christ is the answer for all of the darkness. Simeon, an old man in the temple took the baby Jesus into his arms and declared Him to be the "Light to lighten the Gentiles." Jesus is the Light of the World that overcomes the darkness.

Jesus is the Light that exposes the darkness of our sins, but then calls us to admit the darkness in our lives (confessing our sins). Jesus is the Light of God's love and forgiveness, and He promises that if we admit our sins and failings, He will always forgive us and accept us as His own. Jesus is the Light that heals our strained and sometimes broken relationships, by leading us to forgive others. Jesus is the Light that strengthens our relationships by loving, serving, and showing compassion to one another.

There is a lot of darkness in our world and in our very lives. Seek out the Light!! You will find His Light in God's Word. You will find Him as you gather with other Christians and worship Him as the Light. You have a couple of pastors at St. Paul's that are always willing to share the Light of His wisdom with you. If you face difficult days of darkness, we are here to help lead you to the Light!

In Christ's Love,

*Pastor Bender*
