## FROM THE PRINCIPAL

**Sports:** A winning attitude. Everyone likes winning. Right? Losing? Well, maybe not so much. I know I wasn't very happy to see the 49ers pummel the Packers the way they did a couple weeks ago. Youth sports have recently become a bit of a hot topic. Some parents swear that sports are very beneficial for their kids' development and health; others will not let their children participate in organized sports because of other parents and coaches that are "off the charts."

We are in the midst of the basketball season with lots of things going and lots of games and tournaments still to be played. Please, do your best to be positive, supportive examples for our young athletes and for our volunteer coaches who give so much so that youth sports remain a positive experience for all concerned here at SPWA.

Here are some ways your youngster can be a good sport no matter the situation:

- Cheer each other on when good things happen ("Nice catch!"), and sympathize when they don't ("You'll get the next one!").
- Shift your child's thinking. Instead of focusing on coming in first or scoring the most goals, suggest that he work on beating his personal best.
- When you watch sports together, point out examples of good sportsmanship. Perhaps his favorite basketball player helps an opponent up after a fall.

To help make playing sports an enjoyable experience for those involved, remember these words:

***"One man practicing sportsmanship is far better than a hundred teaching it."***

### **2020-2021 REGISTRATION**

We have started to register for the 2020-2021 school year. We have attached to this newsletter the 2020-2021 Schedule of Tuition and Fees and the Contract for Enrollment. Just a note that the Re-enrollment Fee **is per student and NOT per family**. Deadline to receive the \$75.00 per student Re-enrollment Fee is March 15<sup>th</sup>. After that the fee goes up to \$150 per student. Please contact the office if you have any questions or concerns.

### **TUITION TAX DEDUCTION**

Thanks to advocacy by WCRIS (WI Council of Religious and Independent Schools), state law continues to allow WI parents to deduct private school tuition on their taxes for grades K-8. Information on this was emailed to all families that paid tuition for 2019. If you paid and did not receive an email, please contact the school office. We can forward you the papers.

### **JANUARY TUITION PAYMENT DUE**

If you signed up at the beginning of the year to make two tuition payments for this school year, the second payment is due by the end of January. Please call the school office if you have any questions. Thank you.

- Please make sure to stay current with your tuition and Extended Care payments.
- Do you know about using the Scrip program? It is a great way to raise funds for our school and all you have to do is purchase gift cards to where you normally shop! Call the Office for details.

### **CHOICE ENROLLMENT**

If you have any questions about the Choice program, please contact the school office.**

## **CHOICE MEETINGS**

As most of you know, St. Paul's participates in the Wisconsin Parent Choice Program and the Milwaukee Parent Choice Program. One of the stipulations of the Choice Program is to hold two meetings per school year to meet with all families to answer any questions about the Choice Program, get any information about the Choice Program, and learn about the Choice Program. Our first meeting this school year was held on November 21<sup>st</sup>. The second meeting is set for February 20<sup>th</sup>. School Board members will be available to answer any of your questions. This meeting is for all of our families, not only families who are in the Choice Program this year or may be in the Choice Program in future years. Please come to our meetings if you would like to learn more about the two Choice Programs in which St. Paul's participates.

## **WINTER SPORTS PICTURES - TOMORROW**

On Tuesday, February 4<sup>th</sup> pictures will be taken of our basketball teams and short shot participants for the year book. ## **FROM THE PASTOR**

Dear friends, there has been a lot of troubling and sad stories in the news lately. There were a couple of horrible car accidents where people have died. The Coronavirus is spreading, especially within China, with thousands afflicted and over 100 people dead. Then this past Sunday, we heard the very sad news story of the helicopter crash that killed former NBA star, Kobe Bryant, his little daughter, and seven others. Death can be a very scary thing.

According to God's holy Word, the only reason that "death" is in the world is because of sin. Death entered God's good creation when Adam and Eve sinned. Death has brought sadness and sorrow to so many over the centuries and many people in the year 2020. I can only imagine how hard it must be for Vanessa, Kobe's wife, and their three living daughters to have to bury two loved ones. Pray for the Bryant family and all those affected.

Death! It hurts. It's so hard. It can devastate. That is why we need Jesus, God's Son. Jesus came into the world to bring salvation from both sin and *death*. The author of

Hebrews writes of Jesus: *“Since the children have flesh and blood, he too shared in their humanity so that by his death he might destroy him who holds the power of death— that is, the devil—and free those who all their lives were held in slavery by their fear of death.* (Hebrews 2) Those who believe and trust in Jesus will overcome both sin and death, through the death and resurrection of Jesus.

There’s a happy ending to the Kobe Bryant life story. You see, Kobe was raised in the church but fell away. When he had some troubles in his life well over a decade ago, he turned back to the church. He knew he had been living contrary to God’s will and turned back to Christ. Since that time he has been a regular worshiper in the one holy Christian and apostolic church. Indeed, reports have come forth that he went to church the morning of that terrible crash.

The troubles of life in all their forms is what should turn each of us back to Christ and His church, to worship, to pray, to receive Christ’s supper . . . and to know the never failing love of Jesus that had, indeed, overcome both sin and death. So when it comes to troubles in life . . . and even death which will come to us all, hear the words of Jesus: *“Do not let your hearts be troubled. Trust in God; trust also in Me.” (John 14)*

In Christ’s Love,

*Pastor Bender*
