**L** is for LISTENING.

*"God gave us two ears and one mouth for a reason: we should spend twice as much time listening as talking!"*  
As parents, we can spend quality time in our children's world by...

- listening -- focusing on what a child is saying *and* on his or her body language.
- maintaining eye contact with the child.
- smiling and nodding, which will encourage the child to continue.
- paraphrasing what a child has said, and asking questions to be sure we understand.

## FUN FACTS

Most people say Mount Everest -- at about 29,000 feet high -- is the world's tallest mountain. But that's only if you're talking about mountains *above ground*. If you consider parts of a mountain you can't see, then Mauna Kea, a volcano on Hawaii, is the tallest. It rises 13,796 above water and 19,680 underwater, for a total of 33,476 feet.

Thank you for collecting and turning in those Box Tops. We were able to purchase a new institutional grade thermometer for the Lincoln campus.

Also, thanks to **Mrs. Myren** for gathering, sorting, counting, and submitting them all .

**Keep it up!**

**Each Box Top is worth 10 cents**

See the attached list of all Box Top products.

- **Sick Children Belong at Home-Well Children Belong at School**

- The health and safety of our students at St. Paul's is of the utmost importance. In regards to that:

- We follow the **"24 Hour Rule"** suggested by the West Allis Health Department which says children should not return to school until **24 hours after their last episode (fever, vomiting, etc.)**.
- **Do not** allow them to return to school simply because they feel better. Wait the full 24 hours please!
- **In regards to fever, the reading on our thermometer is final.**

In Christ, the community of St. Paul's Lutheran School partners with families to equip children academically and prepare children and families spiritually to witness and serve.

### **FROM THE PASTOR**

To the St. Paul's Lutheran School family,

I hope all of you had enjoyable and restful spring breaks with friends and family. I also hope that you were able to spend time together in ways that you were able to make fond memories. Spring is always an exciting time of year because it means that days are longer and that warm weather is near! Spring is also an exciting time at St. Paul's. We have different events happening right now. This weekend, on Saturday, March 30<sup>th</sup> at 6:00 P.M. we are having our High School Youth Group dinner and auction, which you all are invited to! The dinner is a Luau theme, which means you can wear your favorite beach shirt and sunglasses! The auction is our biggest fundraiser for our high schoolers to attend the National Youth Gathering this July in Minneapolis, Minnesota.

There will be plenty of opportunities to make bids on exciting items! At this gathering, it is a time to bond together as a group, hear speakers talk about the intersection between faith and life, and worship with about 20,000 other high schoolers in our church body from all across the United States. We would love to see you this weekend!

I am always grateful for the relationship between the church and school. Paul writes to the church in Philippi, *"I thank my God in all my remembrance of you, always in every prayer of mine for you all making my prayer with joy, because of your partnership in the gospel from the first day until now"* (Philippians 1:3-5). The ministry and education in the Gospel of Jesus Christ is not done alone, but as a team effort. I thank all of you for your willingness to send your kids to St. Paul's. We are better with you all here. Please continue to support our school and church. You are always welcome at St. Paul's!

Sincerely,  
Pastor Noah Kegley

### **SAVE THE DATE!**
