

# St. Paul's Lutheran School

## From the Principal

Things for you to know:

1. Remember to put out the St. Paul's yard signs that were given out last Spring.
2. Thank you for your dedication and commitment to St. Paul's Lutheran School. We feel that we offer the best educational product in the West Allis area, but we need your help to get the word out, because we want to keep serving other families like yours in our area. Word of mouth is still the best way to advertise, but public reviews also help very much.

Please help us increase our presence in social media by writing us a quick review on Google Maps. Simply:

- Search St. Paul's Lutheran Church and School West Allis
- Go to maps
- Go to REVIEWS and click on the stars
- Write a short review if you wish.  
"Awesome school", "great staff!", etc.

Thank you!

3. We have called Mrs. Deb Margrett to teach Kindergarten at St. Paul's next year. Please pray for her as she considers this call.
4. **SPECIAL GUEST DAY (May 5<sup>th</sup>)** is coming fast. This will be a fun day of activities for your child and their grandparents or special guest. This will be a half-day of school. There will be no ASC that day.
5. The car line has been getting more congested lately. Please remember to turn RIGHT to keep the line moving (see attached sheet).

# THE REASON FOR THE CROSS

*We have been sanctified through the offering of the body of Jesus Christ once for all.  
Hebrews 10:10*

Man by himself cannot deal with his own guilt. He must have help from the outside. In order to forgive himself, he must have forgiveness from the one he offended. Yet man is unworthy to ask God for forgiveness.

That, then, is the reason for the cross.

The cross did what sacrificing lambs and doves could not do. It erased our sins, not for a year, but for eternity. It granted us the right to talk with, love, and even live with God.

We can't do that by ourselves. We need a savior.

THAT'S why the cross!

## Worship Attendance

All school families are invited to worship with us each weekend. We understand that it is in worship where we draw closer to our God. In worship, God is present, and we have the opportunity to give thanks, receive forgiveness, gather with fellow believers, listen to His Word, pray for others, and to be strengthened in our faith to go out into the world to share Christ and to meet the challenges in everyday living. Our worship life also demonstrates how important God is to us and our families. As we teach our children God's truth, we model how important God is to us and should be in our lives as He is so good. **Make it a priority to worship regularly and spend time in His Word this school year.**

# FROM THE PASTOR

*Be joyful in hope, patient in affliction, faithful in prayer.*

*Romans 12:12*

## Patiently Waiting

Well we have done it! We have extended a call for a music director and teacher! We pray earnestly for Zachary Zieschang to have wisdom and discretion as he discerns what the Lord is calling him to do. Having just recently gone through this process myself, I can tell you that it is no easy task to hear what the Lord wants you to do. It is even harder be patient as you wait for it to become clear!

We have no idea what the Lord is going to lead Zachary to do, but we do know one thing. That where he leads him will be best for him, for us and for his kingdom as a whole. All we have to do is be patient as we wait for the Lord's will to become clear!

But boy is it hard to be patient! It doesn't matter what we want, we want it now! With drive thrus and streaming services we expect everything to happen immediately. But rarely does this happen! We see things in a moment; God sees everything stretched out over eternity. If someone is standing under a cliff exclaiming there is no danger, while there is another person on top of the cliff looking out screaming "Bear!" who are you going to trust? The one with the better perspective of course! So who should we trust; ourselves who are thinking in the short term, or God who is seeing all of eternity at once? Well God of course! But this is easier said than done, which is why God invites us to pray to him. When we pray to God, and study his word we are better able to understand his perspective, and trust that what he is seeing is truer than what we are seeing. Even more than that, what he is doing is better than what we would like him to be doing. So whether Zachary decides to come, stay where he is or go somewhere else we can give thanks to God. We give thanks to God because he is doing something great, even if we can't see it. So pray to God for us, for Zachary, and for the kingdom as a whole and patiently wait as we listen for the Lord's decision!

May God continue to keep you in your  
Baptismal Grace!
