**K** is for KITCHEN.

Cooking with kids is a great way to spend quality time and teach lifelong skills.

- Toddlers make simple recipes as they count items and follow a sequence of steps.
- Young kids read recipes, follow directions, measure ingredients, and practice safety.
- Older children double or divide recipes and help plan for a party.

Cooking enables parents and children to work cooperatively and share accomplishments. For kid-friendly recipes, see <http://kid.allrecipes.com>.

Wait the full 24 hours please!**
  - In regards to fever, the reading on our thermometer is final.

## **JR. HIGH YOUTH**

Our Jr. High youth did a spectacular job serving St. Paul's Advent dinners! We will also be serving Lenten dinners on March 27th and April 10th. Plan to arrive at 4:30. Students are welcome to come to the kitchen after school to do homework in the Parish hall as I will be there to supervise if need be. Hopefully this helps with not having to make two trips for parents. I know that our church family sincerely appreciates your efforts in serving both God and your fellow believers!

## **FROM THE PASTOR**

Dear Families of St. Paul's Lutheran Church and School,

I pray that your family and your household are happy and healthy (especially with all of the sickness that's been going around). It's hard to believe that it is already March! At least for me, the school year has gone by quickly. While it seems like winter will never leave, the church year continues to move forward. Wednesday of this week is known as *Ash Wednesday*, which is the first day of the season of *Lent*. Lent is a journey. In this journey, we spend a great deal of time reflecting. What do we reflect on? We consider our own need for Jesus in our lives. In Lent, we have to admit that we a problem that we can't get ourselves out of, and the only one who can is God's only Son. But Lent is also a time to reflect on the magnitude of God's love for us. Jesus came to take our suffering upon His shoulders so that we would have a restored relationship with God. We have a Savior who can identify with us in every way.

There's a truism that goes something like this: "I've been down that road before." And Lent is a season where we remember that Jesus has gone down the road of evil on our behalf out of his infinite love for us. There's an old hymn that writes, "O Christ, you walked the road Our wand'ring feet must go, You faced with us temptation's pow'r, And fought our ancient foe." Jesus faced temptation, suffering, and walks that road with us. We need Jesus' presence in our lives each day to overcome the realities of evil. So as we move forward throughout the school year and into Lent, know that Jesus walks down whatever road you are on in life. Jesus has come for you and is your Savior who loves you far more than you could ever imagine. May you abide in His love and His presence always!

Your Fellow Servant,

Pastor Noah Kegley
