FROM THE PRINCIPAL

Thank you parents for your support through a very challenging and stressful school year. A student once told me that all principals do all day is put their feet up on their desk and eat donuts. Well, that was certainly not the case this year! This year we all learned on the fly how to adapt to constantly changing situations, government mandates, and regulations. So, once again, thank you for your support! I hope and pray that you have a safe, healthy, and blessed summer. See you in church!

Friday, May 28th

**Lincoln Avenue after school care will be at the Early
Childhood Center**

In Christ, the community of St. Paul's Lutheran School partners with families to equip children academically and prepare children and families spiritually to witness and serve.

THANK YOU FROM MR. HAAS

Thank you for adding to the joy of my retirement with your well wishes and amazing gifts. It has been a joy and pleasure working here for the last 20 years and being able to work with such an amazing staff and awesome students has made the years fly by. I will think of you often.

THANK YOU PARENTS

BSC/ASC ENROLLMENT FOR THE 2021-2022 SCHOOL YEAR

St. Paul's will once again offer care for students for the price of \$5/hour. There is a \$50 annual registration fee/family due by July 1, 2021 if you're using the summer program or on the day prior to use. It is helpful to know your care needs prior to leaving for summer break so that staff is available come Fall. Thank you for a great year and have a wonderful summer.

From the Pastor

Dear Families and Students of St. Paul's School:

It is time to look forward! It is always time to look forward! Yet it is also good to look back to gain perspective on today and the future. Looking back, what a year!! God blessed us to stay in person all year long with some occasional quarantining and virtual learning along the way. We are blessed with teachers and other staff members who are troopers who made the best of a difficult situation. We are blessed by our God who sees us through all our days, both good and bad.

Yet, it is time to look forward! What are you looking forward to this summer? Are you headed out on a family vacation to someplace special? Are you headed up north to spend some good time in God's creation? Are you planning a trip to the Dells to have some fun in the sun at a waterpark? Or are you just looking forward to the better temperatures and some more relaxing times without the hectic schedule of homework, getting kids ready for school, and the like.

Of course, spiritually, it is ***always time to look forward!!*** The apostle Paul writes in his letter to the church in Philippi: **"Forgetting what is behind and straining toward what is ahead, I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus."** (Phil. 3:13-14) When Paul talks about "forgetting what is behind," he is speaking of sins, weaknesses, and failures. When Paul speaks of straining toward what is ahead, he is referring to life in Christ and the future He has for us.

The future in Christ is bright. The future in Christ leads us in the paths of righteousness. The future Christ desires for us is a life lived with His Word "as a lamp for our feet and a

light for our path.” The ultimate future Christ has for us is eternal life in paradise, in a new heavens and earth.

So keep looking forward to this summer’s activities, to another school year at the end of them, and to living life in Christ, day by day . . . and even into eternity.

Looking forward in Christ with you,

Pastor Bender
