## IN ALL THINGS Colossians 1:15-20

### FROM THE PRINCIPAL

#### SUMMER PROGRAM OFFERING

For the first time ever, we are excited to be offering some summer-time programming. A promotional flier will be coming home soon with descriptions of what we will be offering. There will be fun opportunities to improve skill sets in math and ELA.

#### LCFS SUMMER SERVICES

Our counseling service run by LCFS will be continuing to offer their services over summer at our school and has a few openings in their schedule. If you feel that your child or family would benefit from their services, please contact the Office.

#### LINCOLN CAR LINE

Since receiving my promotion to Crossing Guard, I have had a front row seat to what has come to be known affectionately as "Car Line". While that experience has greatly improved and we have become much more efficient, I think there is still room for improvement.

1. **No Left Turn**-Trying to turn left on Lincoln is a challenging maneuver. While it is legal, it is dangerous and really backs up the flow of cars. If you need to go West, try turning right on Lincoln, then right on 78<sup>th</sup> Street, then right on either Hayes or Arthur Avenues.
2. **Crossing Lincoln to ECC**- as an alternative to trying to cross Lincoln Avenue (another hair-raising maneuver), try turning right on Lincoln and then left on 78<sup>th</sup> to Grant Street.
3. **Pull Up to the front sign or cone.** Enough said on that.

#### ECC SPECTACULAR

On May 25<sup>th</sup> our 3K-K gets their opportunity on stage as "**The Rodeo**" comes to town. Come see our youngest students demonstrate their talents for us.

#### TEACHER APPRECIATION WEEK

Thank you to everyone who helped with Teacher Appreciation Week through your gifts of money or time. The Staff really appreciated it all! A special thanks to Chelsea Rudig for organizing it all.

## YARD SIGNS

Last week we received a shipment of St. Paul's yard signs. If you would like one and be willing to put one in your yard, please let the Office know. These are a great way to get our name out into the community!

*From the Pastor*

*The heart of man plans his way, but the LORD establishes his steps. Proverbs 16:9*

I have always loved the month of May. It is a time of change and transition. It is a time of hope. In our schools we are seeing our kids moving on to the next grade, or even graduating and moving on to the next chapter of their lives. High-school seniors are looking to start their college or work careers. In our church we are receiving new members. Students are being confirmed, confessing that they have now been taught the faith they were baptized into. Parents are rejoicing in the growth their children have made, while also preparing themselves for the next steps. If you are like me May is a time to think

about the Future, you begin to think about transitions even as everything seems crazy busy with all the graduation and confirmation parties.

Transitions can be scary even as they are good. As much as we are excited for the next step we do not really know what it will be like. We are familiar and comfortable with the current stage of life, who knows what we will think about the next. It can be a scary time.

This verse in Proverbs has always been a great comfort to me in times of transition and change. I have no idea what I am getting into with the next step, but God does. It also humbles me quite a bit. Yes it may seem like all of these changes are due to my accomplishments and choices, but it is really God at work. He is at work getting us where he needs us to go. He is at work growing his kingdom, even as he is taking care of us. So during times of transition and change, during times of anxiety and stress remember that God is establishing your steps. He is leading you where he needs you to be. This is the God who sent his Son to die for you, so we can trust that he is leading us somewhere good. Therefore go and follow him with full joy and confidence even as he is leading you.

God Bless you all

Pastor Josh
