Children and Youth

For

St. Paul's Lutheran Church/School, West Allis,
Wisconsin

Preamble

We the members of St. Paul's Lutheran Church and School of West Allis, seek to honor God and our commitment to educating children and youth. Christ declares in Mark 10:13-14, "Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these." Our congregation is resolved to provide a secure, safe, nurturing environment for the instruction and participation of children and youth. This policy has been established to protect all who participate in children's and youth ministry, which includes but is not limited to children, youth, volunteers, paid ministry staff and the church family. These guidelines are to be followed by every individual who serves in our ministry to minors.

Guiding Principles

What protects our children and youth also serves to protect our church. In no way will we allow these policies to interfere with our service of Christ; rather, they will enhance our Christian service. We are motivated because we are entrusted with the spiritual, educational and moral development of our children and youth. We are dedicated to providing an environment that nurtures the dignity and safety of each person and where healthy and appropriate relationships between all individuals are encouraged and expected.

Child abuse and sexual misconduct can tear the fabric of relationships within the church. These acts are reprehensible and an affront to our Heavenly Father and the mission of the church is hindered when such hurt is inflicted. It is prudent to prevent such injuries and occurrences and to have a clear plan of action and response should an allegation be made.

Abuse of any kind is not to be tolerated.

The Lord gives us guidance in Scripture:

- "Then God said, 'Let us make man in our image, in our likeness, and let them rule over the fish of the sea and the birds of the air, over the livestock, over all the earth, and over all the creatures that move along the ground.'" **Genesis 1:26-27**
- "Do you not know that your body is a temple of the Holy Spirit, who is in you, whom you have received from God? You are not your own." **1 Corinthians 6:19**
- "Everyone who believes that Jesus is the Christ is born of God, and everyone who loves the father loves his child as well. This is how we know that we love the children of God: by loving God and carrying out his commands." **1 John 5:1**
- "Jesus said to his disciples, 'Things that cause people to sin are bound to come, but woe to that person through whom they come. It would be better for him to be thrown into the sea with a millstone tied around his neck than for him to cause one of these little ones to sin. So watch yourselves.'" **Luke 17:1-3a**

Principles

There are four principles that should guide decisions and actions regarding appropriate risk management:

Principle 1. *As risk increases, supervision should also increase.*

Therefore, more supervision is required for a youth overnight lock-in than a Sunday School class, for example.

Principle 2. *Risk increases as isolation increases.*

Therefore, care must be taken in such things as when and where an activity is held, and whether doors are open or closed.

Principle 3. *Risk increases as accountability decreases.*

Therefore, workers should be screened and must obtain approval in advance before sponsoring any activity.

Principle 4. *Risk increases when there is an imbalance of power and control (age, size, position, authority).*

Therefore, care must be taken to maintain a proper age balance between children. Approximately 25% of abuse cases are children molesting children. There is an especially high risk when there is a difference of 5 years or more among children's ages.

3. Any instance or allegation made of inappropriate interaction involving a child shall be reported to the Principal or any member of the CCT. The CCT will determine appropriate action to be taken up to and including Mandatory Reporting.

Supervision of Minors

1. All children should be properly supervised when present in the building. Parents and workers should not leave children unattended or let them wander the building without proper adult supervision.
2. Whenever possible, there will be at least two children's program workers present in all classes, clubs or activities involving children and youth. Also, any off-campus activities require at least two adult workers to be present.

Procedures with Minors

1. All regular children's program workers must complete and sign a **St. Paul's Safe Initiative Screening Form** and be approved before working with our children and youth.
2. One light must remain on at all times in a room and a clear view of classroom interior must be maintained.
3. The "rule of 3" should be followed whenever possible. At least two students and one adult or two adults and one student should be present in a room together.

4. Parents should meet their children in the classroom, parking lot, or location of the activity or event. Workers should not leave children unattended. If a parent has not arrived within 15 minutes after the class or event, children should be taken to the church/school office. When transportation to and from events is the responsibility of the families, drivers should avoid dropping off or picking up minors without being accompanied by another adult. The Administrative Staff will set standards for who is permitted to drive during events. Any deviations should have the prior consent of the parent and be reported to the next person in the line of responsibility.
5. There are no "secret" activities or organizations recognized by St. Paul's Lutheran Church and School. Parents are welcome to observe their child in any class or activity. As a courtesy to our personnel, we ask that parents inform the supervising adult of their desire to observe, prior to the beginning of the activity. 10. A worker must maintain a professional posture, avoiding emotional attachment and remaining aware of a child's powerful attraction to persons in authority and trust.
11. If a worker suspects that a minor is in an unsafe or abusive home he/she must report it immediately to the administrator of the program, school or church.
12. If a worker is seen endangering a child or acting inappropriately, the civil authorities and a church/school official must be contacted immediately.
13. At the time of registration, parents will be given an opportunity to decline having their child photographed for use in publications or displays.
