From the Pastor

To the families of St. Paul's,

I hope that your family has had a smooth transition into the school year, or at least some of the craziness that always happens has subsided. It is easy to be overwhelmed when a new routine shifts back into gear and all of a sudden your calendar is loaded with significant dates, and you see all of the tasks ahead of you. We are glad you are with us here at St. Paul's!

A lot of activities are taking place here at St. Paul's too. We have our congregation's Celebration of New & Old after our 10:30 AM service this Sunday, September 8th. Please join us for food and friendship. Please join us! We are also starting a new bible study on Sundays at 9:15 AM in the Library. We are calling it **Group Discipleship Hour**. What is it? It is a multi-generational bible study for anyone who is 5th grade and older. The idea is to have people from different phases and experiences in life all in one room growing as disciples of Jesus. The more ages the better! We will include videos, planned studies, and current events with other resources that will cover topics pertaining to faith and everyday life. This time will be fun, and conversational in style. We would love to have you join us!

On behalf of everyone at St. Paul's we pray that you and your family has a wonderful school year. We are glad to serve you and to help you in whatever needs you might have. Please reach out to us if you would like to! Know that Jesus and His Holy Spirit will lead and guide us this school year and we look forward to living life together as the community of St. Paul's.

Sincerely,

Pastor Noah Kegley
